

# Evidence of 608/Carly (18) Dating a Minor (14)

## Introduction

All of this will just be evidence. All of it is self explanatory.

I expect you as a reader of this document to gather an understanding of the situation by the evidence alone due to how open and shut this case is.

If you want another document about 608's previous grooming from a year ago with gameguy (this is unrelated to that), go here: [Evidence Against 608/Carly](#) .

If you want someone else's document on the attacks that she's done and the grooming allegations in more detail (it has one of my documents put in there), go here:

[The 608 Documentary](#) .

## 608's Obtaining of Pictures from Uyko

(608 is MyDevil)

The screenshot shows a group chat interface with a dark background. At the top, a user profile for 'MyDevil' is visible, featuring a circular profile picture of a person in a red shirt and a gear icon for settings. The user's message reads: 'im home alone and horny so im going to make feet pics and send them to uyko'. Below this, two green arrows indicate group management actions: 'MyDevil added sergioguy2023 to the group. Today at 8:28 PM' and 'MyDevil added Auto Conversation 2 to the'. A second user profile, '@fin', is partially visible at the top of the second section, with a message: '@fin you are literally sending your feet pics to a fucking retard you dont even know except online'. Below this, a user profile for 'MyDevil (Costco Wholesale)' is shown, with a message: 'well she has sent me her thighs and shoulder pics before'. A blue horizontal line is drawn across the chat, with the text 'that's not true' written below it. At the bottom, the start of a message from 'fin' is visible, dated 'Today at 8:17 PM'.

# Legality

The image shows a search engine interface with a search bar containing the text "south carolina engaging sexual conversations with minors". Below the search bar, there are navigation options: "All", "News", "Images", "Videos", and "More". The search results show "About 29,600,000 results (0.35 seconds)". A featured snippet is displayed, stating: "South Carolina's solicitation statute is relatively broad, making it an offense for a person to communicate or attempt to communicate with a minor under the age of 18 for the purpose of persuading or coercing the minor to engage in sexual activity." The snippet is attributed to "SC.GOV (.gov)" with the URL "https://dc.statelibrary.sc.gov/bitstream/handle/". Below the snippet, the title of the source is partially visible: "An Overview Of Sex Offenses Against Children And The South ...". At the bottom of the search results, there are links for "About featured snippets" and "Feedback".

## *Crimes Not Involving Touching*

Crimes that do not involve touching or attempted touching typically prohibit solicitation or child pornography. South Carolina's solicitation statute is relatively broad, making it an offense for a person to communicate or attempt to communicate with a minor under the age of 18 for the purpose of persuading or coercing the minor to engage in sexual activity. For example, asking a minor to engage in sexual activity is a serious felony.

Likewise, photographing or videotaping minors engaged in sexual activity is an offense. The pictures must involve actual or simulated sexual activity; photographs involving nudity alone without sexual acts do not constitute child pornography under state law (though such images do potentially fall within the federal child pornography offense)

This is not legal in South Carolina, the state that 608/Carly lives in.

### Note on Legality

608 continues to defend her actions through the use of a less official source.

This website is the source she attempts to cite when saying she is not a pedophile by law:  
<https://www.criminaldefenselawyer.com/resources/south-carolina-statutory-rape-laws.htm>

She uses this when trying to explain:

### **Second-Degree Criminal Sexual Conduct With a Minor**

Second-degree penalties apply when sexual penetration, intercourse, oral sex, or anal sex occurs between:

- a minor age 11 to 14 and a defendant of any age
- a minor age 14 or 15 and a defendant who's older than the minor or in a position of authority over the minor (familial, custodial, or official).

This offense level carries up to 20 years in prison.

When the parties are close in age—the victim is 14 or older and the defendant is 18 or younger—the penalties in this section don't apply. (More on "Romeo and Juliet" laws below.)

In reality, this website has got it wrong, as seen with what the .gov website has said. "18 or younger" is not stated within the official documentation.

## Conclusion

This is an open and shut case. 608/Carly dated and was sexual with a 14 year old.

That is all I have to say.
